Berklee College of Music
Music Education Department—Student Teacher Contract
RE: Lesson Planning and Schedule Submission

As part of the degree work in the Berklee Bachelor of Music in Music Education program, students are required to complete a student teaching practicum in order to meet the Massachusetts Department of Education teacher licensure regulations as follows:

Student Teaching Requirements:

- 450 clock hours (minimum) over a 15-week semester (Fall or Spring) in elementary and secondary grades for the Music: Vocal/Instrumental/General, all levels, license
- All Supervising Practitioners must be appropriately certified
- More than one-half (51% minimum) of the student teaching practicum must be in one assignment
- 150 of the 450 clock hours must be fulfilled by the student teacher (candidate) having full teaching responsibility of the class
- All student teachers (candidates) will review DAILY lesson plans with both their Supervising Practitioner and College/Program Supervisor. These plans should be submitted (via email) for review no later than 48 hours before the assigned class to be taught so that any revisions can be addressed prior to lesson execution.
